ANNUAL REPORT OF THE SESSION 2021-22

In this academic session the school has primarily been working in an online mode in accordance with the 'Government Regulations'. All classes and students were in touch with their class teachers and subject teachers through 'Google meet', 'Google forms' video presentations 'YOU' tube videos and many virtual modes . Efforts were made to ensure that all students actively participated in the online mode and ensured that maximum learning outcome . Teachers conducted their online lectures with attractive and informative PPTS , online activities and even conducted the Periodic tests and examination through the online medium.

When the school reopened physically for a brief Period all precautions of sanitization thermal checking, wearing of masks and social distancing was maintained . Care was also taken to ensure that the staff had been vaccinated well in advance to provide a safe and secure School environment . Teachers explained concepts facts and provide extra information to the students. E-learning is an important and essential component in this regard which makes the teaching- learning process both interesting and interactive . Teachers also took good care of the students and assisted them to cope with all kinds of problems and challenges to a certain extent .

Thrissur

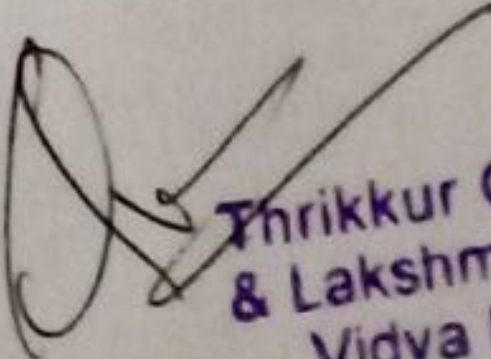

Students got the opportunity to come back to school though the academic year was to end . Classes were active and children of course were in a joyful mood . Final year examination was also held from the last day of March . Annul day too was conducted on 31/3/22 within the limitations. Variety programs of students performed on the stage . Teachers, parents, students and management were really happy with the expectation of a fragrant of academic year as the curtain of 2021-22 came down

STUDENT ENRICHMENT PROGRAM

Just like every year this year too our students actively participated in all school activities in virtual mode . To reduce the boring and tensions of teaching learning process every second Saturdays we conducted "Happy Hour"- 'Rainbow' program in all classes under the guidance of teachers. Variety of items staged in different classes .

All classes assemblies were conducted in the online mode such as school prayer , subhashitham , Bhagavath Geetha chanting , news reading etc . All national religious and regional festival was also celebrated throughout the year to educate the children about the rich cultural and religious heritage of India . These events sensitize the students towards living in harmony in a diverse society and encourage them to pay respect to the customs and traditions of all religious communities . Motivating the students to protect the environment they participated in NPSC program .

The annual science exhibition was held in online mode which exhibited models, Presentation and other activities done by the students throughout the year . Children are encouraged to present their innovative idea to the parents and other guests and each student understood the importance of keeping the environment clean and planting more trees .
